Our Mission

The Northeast Fiddlers Association, Inc is dedicated to preserving and promoting Old-Time Fiddling and its related arts and skills.

Who we are

The Northeast Fiddlers Association, Inc is a non-profit organization comprised of fiddlers, other musicians and supporters located in the Northeastern Regions of North America. It's home office is located in the state of Vermont (USA).

NEW CD to raise funds for NEFA: Fiddlers Bill Cameron, Nicole Engstrom, Sarah Hotchkiss, Ron West, Tom Wilkinson, and Don Woodcock are featured on a new cd called: "Live Performances of the judges at the 42nd Annual Northeast Regional Old Time Fiddler's Contest: Barre, VT 2008. This is a two cd set containing over an hour and a half of a great collection of tunes from a range of styles. While the recordings were not originally intended for a cd, hence some distortion and imperfections, this is made up for by the fact that it is two cd's for the price of one: \$15! Parents, it is worth the price of the cd alone for Don Woodcock's version of Orange Blossom special which tells a story and has great sound effects. Another treasure on the cd is nine traditional New England tunes played by Vermont's own, Ron West. Hearing this will help young Vermont Fiddlers get in touch with their LOCAL roots! Some of you will be glad to know that John and I played "Kerry Sunset Waltz" on this so it is now officially recorded. Bill Cameron, Nicole Engstrom, and Tom Wilkinson all offer a variety of great tunes well played for your enjoyment. All in all a great collection!
